5. Limitations of Audit / Disclaimers

While utmost care has been taken in carrying out the given assignment, there are certain limitations of use of this report which are as under:

a. For the following information on the connected persons of the Resolution Applicant, the reliance has been placed on the information placed by the Resolution Applicant in its affidavit as there was no alternative source to verify:
   i. a body corporate whose board of directors, managing director or manager, in the ordinary course of business, acts on the advice, directions or instructions of the Resolution Applicant;
   ii. a limited liability partnership or a partnership firm whose partners or employees in the ordinary course of business, act on the advice, directions or instructions of the Resolution Applicant;
   iii. a person on whose advice, directions or instructions, the individual is accustomed to act.

b. In respect of wilful defaulters in accordance with the guidelines of the Reserve Bank of India issued under the Banking Regulation Act, 1949 (10 of 1949), in the absence of the latest list of wilful defaulters, we have relied upon the affidavit and CIBIL report furnished by the Resolution Applicant. Further, we have verified on the website: https://suit.cibil.com/ to check any wilful default by the Resolution Applicant. CIBIL publishes its data on the last day of every quarter as per the RBI mandate and does not make real-time data available.

c. Non-performing asset (NPA) data reflects defaults exceeding ₹1 crore INR with a filed suit, as updated on CIBIL. CIBIL publishes this data on the last day of the previous quarter, as per the RBI mandate, and does not provide real-time updates.

d. Neither our Firm/Partner nor any of our employees undertake responsibility in any way whatsoever to any person in respect of any error in this report arising from incorrect information provided to us by the staff/employees of the Resolution Applicant.

e. While carrying out this assignment, we have been provided with both written and verbal information, which has been relied upon by us. Nothing has come to our knowledge to reason a belief that the facts and data set forth in this report are not true or correct. Therefore, we assume no responsibility arising from the information furnished and believe it to be reliable.

f. The MCA defaulting director list contains defaults under Section 164 (non-filing of returns) but does not include proclaimed offenders. MCA defaulter data is not updated by MCA in real time.

g. Order files of some litigations in High Courts may be unavailable, making it impossible to determine the nature of these cases. In such instances, we rely on user-provided declarations and responses to litigation-related queries. If resolution applicants (RAs) do not provide query responses, we rely on their affidavits.

h. As per the IBC definition, connected parties include target-related parties, which also encompass immediate family members. Our analysis covers only the family members whose details are discoverable from MCA / Tofler public filings, potentially excluding some family members from the analysis.

i. Courts and NCLT data sources are highly sensitive to typographical errors. Analyses are conducted based on provided names and information detected on MCA.

j. Clause 29A(i) may necessitate checks against global law enforcement datasets. For this clause, checks are executed on UN Consolidated Sanctions, EU Consolidated Sanctions, UK Sanctions List, and OFAC. Full global law enforcement coverage is beyond the scope of this report.

k. This report does not constitute a legal opinion on the eligibility or ineligibility of any target. Such opinion is provided by the independent legal consultant basis their observation only.
